

Fresh Fare Farms sources your meals from local farms in your area, which boosts your local economy, reduces food miles, and is better for the environment AND your family.

Our farm partners use sustainable practices to provide meals that make the health of your family and the environment their top priority.

Fresh
FARE FARMS

*Take the guesswork
out of meal prep!*

**Local.
Sustainable.
FRESH.**

Sign up during the Hunger
Action Month and we'll
donate a box of Fresh Fare
Farms produce to a food
bank in your community!
